

## **Step 2.1 - Connecting to a Wireless Network on the Mobile Scanner**

Getting Started with OrderDog > Step 2 – Mobile Scanner

1. First, if you are not on the home menu when you turn on the scanner, press the home button found below the scanner screen. You should now be on the home screen.

2. Tap on the three dots in the top-right corner. Then, tap on "Wi-Fi Connection" in the drop-down menu.

3. Find your Wi-Fi in the menu. Enter your password if you have one, and then tap "Connect".

4. Your Wi-Fi Connection will now appear at the top of the list and say "Connected" below the name. The Wi-Fi symbol will also appear at the top of the screen showing that the Wi-Fi is connected.

**YOU'RE DONE!**
