- If you'd like to have the print date hidden on your shelf tags, please reach out to our fantastic support team: support@orderdog.com, so they can apply this change.

Sales Receipt Report (item links)

We're happy to announce that we've now made it easier to get to the item edit page from the Sales by Receipt report. Selecting the link of the item (seen highlighted), will take you to the item edit page for that item to make whatever changes are needed.

You'll need to have the "Invoice Detail" option checked (seen highlighted) within the "More Options" section to see items displayed within the sales transaction.
